

5 Rivers Heart Association

Equal Opportunity to Health Care and Education for All

The One Big Beautiful Bill Act

In the communities we serve across Sacramento, we are witnessing real and growing fear among our most vulnerable residents, many of whom do not speak English as their first language. These are people already facing the greatest challenges, and the possibility of losing their health insurance has filled them with anxiety and dread.

At 5 Rivers Heart Association, we stand with our community and want to assure you that we are closely monitoring every outcome and impact of the One Big Beautiful Bill Act.

We are actively partnering with Sikh, Punjabi, and other community organizations across California to provide free medical clinics, and we are opening a new clinic dedicated to serving the populations that will be most affected by these changes. With teams already working in Illinois, Texas, Washington, Maryland, Virginia, Massachusetts, New York, Indiana, Pennsylvania, New Jersey, Florida, California, and beyond, we are committed to protecting and caring for those who need us most.

Join our team. For more information or to get involved, contact us at 5riversheart.org

“Where, after all, do universal human rights begin? In small places, close to home...”
— Eleanor Roosevelt

Thank you,
Best Regards,
